### **Christy Stone, Front Room Furnishings, Columbus, OH**

Hi My name is Christy Stone and I'm a visual merchandiser for Front Room Furnishings. I have worked in that capacity for the past 10 years . Currently I am based out of our Polaris and Tuttle locations. During the past 6 months I have had the wonderful opportunity to work with the P.F.P team and they are truly a team. Going into the event I wasn't quite sure what to expect, but it truly has been a rewarding and positive experience ,and honestly it's one that I would do all over again. The warehouse crews at each store from Roberto, Victor, Brandon, John, and C.J. have been some of the hardest and best workers that I've ever had the opportunity to work with. They're instrumental in setting up the venue throughout the stores and never once complained about moving furniture. The store managers Rick, and David Jr have been absolutely fantastic to work with, they always communicate pertinent information as well as giving positive feedback. I am grateful for the experience and will really miss the P.F.P team. Thank you so much for everything and I wish you continued success in the future.
