

## **Planned Furniture Promotions, Inc. (PFP) TESTIMONIAL**

*This is a transcription of an audio testimonial. The question posed to PFP clients is: If another retailer called you to ask about what Planned Furniture Promotions did to assist you, what would you say?*

### **Ed McClure, former Retailer.**

This is Ed McClure I would definitely tell any furniture store in the U.S.A. to go with Planned Furniture Promotions. I have worked for a few companies in my life and they are the ones that do the best job and take care of your store. I would definitely always tell them to go with p.f.b.. Planned Furniture Promotions is a great company, and a great asset to any furniture store in the U.S. thank you very much.
